The board of Independent School District No. 834 (Stillwater Area Public Schools) has proposed a capital project levy authorization in the amount of 3.83% times the net tax capacity of the school district. The proposed authorization will raise approximately \$4,700,000 for taxes payable in 2022, the first year it is to be levied, and would be authorized for ten (10) years. The estimated total cost of the projects to be funded by the proposed capital project levy authorization during that time period is approximately \$47,000,000. The additional revenue from the proposed capital project levy authorization will provide funds for the acquisition, installation, replacement, support and maintenance of software, software licenses, computers, improved technology equipment, networks, infrastructure, and the costs of technology related personnel and training.
